

FORESTRY SCHOLARSHIP APPLICATION FORM

2022

NORTHPINE

Growing stronger

There is one scholarship to be awarded each calendar year. The scholarship is a cash grant to the value of \$3,000 sponsored by Northland timber manufacturer Northpine Ltd.

SCHOLARSHIP CRITERIA

The selection criteria (outlined below) are the specific standards used to identify qualified applicants who ultimately will be recommended as scholarship recipients.

- A student enrolled in full time relevant tertiary study
or
An employee within the industry who aspires to improve their skills, knowledge and value to their employer with extra study.
- Pre course academic achievement, including grades, standardised test scores and achievement test scores.
- Expected career outcome in specific industry activities – either forestry and/or timber manufacturing/processing industries.
- Work history, awards and recognition.
- Recommendation of Principal Tutor or employer.
- Community/extracurricular involvement.
- NZ Citizenship or Permanent Resident.
- Normally a resident of Northland (Tai Tokerau) region of New Zealand.

Please note the scholarship recipient will be required to provide a written report at the end of the scholarship term to the Northland Wood Council outlining progress. The recipient will be contacted regarding this in due course.

If no applicants should match the criteria or eligibility, Northland Wood Council in association with Northpine Ltd will ascertain if the scholarship is awarded in that year or if the criteria can be extended to include other applicants.

THIS SCHOLARSHIP WILL BE FULLY ADMINISTERED BY THE NORTHLAND WOOD COUNCIL.
